- From **9:00-12:00**, students will prepare for the upcoming 2016-2017 school year. The curriculum includes math, language arts, reading, and writing.
- From **12:00-1:00**, students will have a break and eat lunch.
- From **1:00-3:00**, students will work with specialized teachers to learn about Economics, Spanish, Chemistry, and different colleges and careers.
- From **3:00-5:00**, students will either participate in recreational activities or go swimming and snack will be included.
- From **5:00-6:00**, students will enter into our vocabulary learning program. This is NOT a word memory program but a program that will help students understand the words and use the words properly.
- Every Wednesday, students will be going on a field trip. Field trip costs are not included in the tuition and the cost of the field trip may vary depending on where we go that day. The following is a list of different places we will be going to this summer in no particular order:

-Golfland	-Anaheim Angels Baseball Game	-Mother's Beach
-California Science Center	-Knott's Berry Farm	-College Tour/Chuck E Cheese
-Movie and Bowling		
- The half day program only includes activities from 9:00-3:00 on Mondays, Tuesdays, Thursdays, and Fridays. On Wednesdays, students may participate in the field trips with the permission of their parents.

*Since we have a limit to how many students we can accept to our summer program, please fill out the next page so we can save you a spot this summer. Thank you.
